Dear Parent/Guardian:

Your child has been selected to attend Elementary Summer School. The dates are June 11th-June 28th. We are offering this program to help your child read on his/her grade level and to have a better understanding of mathematical concepts. As part of the Reading Sufficiency Act, students in the State of Oklahoma must demonstrate reading on grade level in order to be promoted to the next grade. As part of the district's intention to ensure all students are on grade level, students who have not demonstrated proficiency based on teacher observation, student work, and/or grades, your child is being recommended to attend summer school as part of the promotion process. Breakfast and lunch will be provided. Transportation will be available at designated bus stops throughout the district. The list of bus stops are included at the bottom of this letter. Breakfast will begin at 7:30a.m. with classes beginning at 8:00 a.m. Lunch will be served, and students will be dismissed at 12:00. Classes will be held Mondays, Tuesdays, Wednesdays, and Thursdays. There will not be summer school on Fridays. Please contact your school principal if you have any questions.

There are four routes shown below for summer school. Please find the one closest to you and have your child there a few minutes early to board the bus. Your child will need to know his/her address and phone number, in case bus schedule changes.
