Quality of Life Grants Committee

Mission:

The mission of the Quality of Life Grants Committee is to provide support for programs and initiatives that improve and develop opportunities to enhance “live, work and play” for residents and guests of the Muskogee community.

Types of Funding:

Consideration will be given for multiple types of funding designed to meet the priority considerations of this committee.

Specific Funding:

Priority consideration will be given to programs, projects and initiatives that relate to:

- Entertainment, arts and culture;
- Safety and security;
- Beautification and preservation;
- Collaborative efforts and priorities as identified by the Action In Muskogee (AIM) initiative and the City of Muskogee (i.e., downtown development).

Future Funding:

Acquiring funding in future years will be contingent upon measured outcomes and other information as evidenced in the evaluation reports. All multi-year grants will be contingent upon measured outcomes that meet or exceed expectations.
